

STATEMENT OF SCOPE

DENTISTRY EXAMINING BOARD

Rule No.: DE 10

Relating to: Regulation of Mobile Dentistry Programs

Rule Type: Permanent

1. Finding/nature of emergency (Emergency Rule only):

N/A

2. Detailed description of the objective of the proposed rule:

The objective of the proposed rule is to implement 2013 Act 244 by doing the following:

- Create a definition of "mobile dentistry program";
- Define the activities that constitute the operation of a mobile dentistry program for purposes of the registration requirement;
- Requirements for obtaining a registration;
- Requirements for patient access to dental records; and
- Standards of conduct for the operation of a mobile dentistry program, the provision of dental services through a mobile dentistry program and the use of portable dental equipment.

3. Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives:

Under 2013 Act 244, no person may own or operate a mobile dentistry program in Wisconsin unless the person is registered. The Dentistry Examining Board was given specific authority to promulgate rules to regulate mobile dentistry programs as outline in the above objective of the proposed rule.

The alternative to promulgation of rules would be to create confusion as to the definition of a mobile dentistry program, the activities the program may perform, the process for obtaining registration and the standards of conduct which must be followed.

4. Detailed explanation of statutory authority for the rule (including the statutory citation and language):

447.02(2) The examining board shall promulgate rules specifying all of the following:

- (f) A requirement that a mobile dentistry program registrant establish procedures for a patient treated in the mobile dentistry program to access his or her patient records.
